

# Heritage and the economy

11/03/2010

[See all updates](#)

These reports present the results of case studies that look at the economic impacts of tourism that HLF investment has had.

| Attachment                                           | Size      |
|------------------------------------------------------|-----------|
| <a href="#">Economic impact of HLF projects 2010</a> | 520.28 KB |
| <a href="#">Economic impact of HLF projects 2009</a> | 589.1 KB  |
| <a href="#">Economic impact of HLF projects 2008</a> | 292.16 KB |

They also assess the benefits of project expenditures for local economies, and at the wider regeneration effects that HLF investment has had.
